

# Connect your business to the world with global coverage

Benefit from an independently-owned network built for business. We connect your business to the world with global coverage that provides voice services in more than 120 countries and full PSTN replacement in over 40. All backed up by a true 99.99% uptime SLA and 24/7 support from our dedicated support team of experienced engineers.

## **6** Global Coverage

Local voice presence on a global scale with a quality and reliable voice network - all through a single provider. From London to New York and everywhere in between, our in-country routing capabilities provide the best-quality call experience wherever you need it.

## Phone Numbers

Seamlessly port your existing phone numbers to Infinitel. Easily provision new numbers in just a matter of minutes. UK geographic, non-geographic and international ranges are available in more than 100 countries.

## 24/7 Support

Our solutions are supported 24/7 by an in-house technical team and backed by a 99.99% Service Level Agreement.

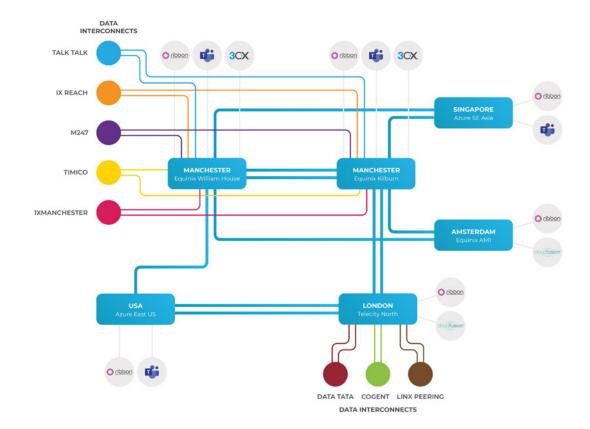

## HD Quality Voice

The best audio codecs for crystal-clear sound, and a network footprint in all the places you need for the lowest-possible latency.

## Integrate with any PBX

Our SIP trunks integrate seamlessly with any PBX, including Asterisk, FreePBX. 3CX, Microsoft Teams and more.

Connect securely to the Infinitel platform from nearly 500 locations across 200+ countries. Safeguard your conversations with a private interconnection, for enterprise-grade security and quality.
